A MESSAGE FROM MS. VANNIER

TYG had a great start to the new year! I appreciate the families who attended our open house and I look forward to seeing everyone else throughout the year. I would like to extend a warm welcome to our new teachers: K. Brooks (Art), M. Damore (Science) and A. Peters (HLC). We are excited to have Art back at Tse' Yi' Gai! Students will be continuing to explore ways to be Environmentally Sustainable through our Engineering Pathway. TYG will be creating a growing space for students to learn how to plant local foods and how to build a sustainable garden for themselves and their families.
