PRINCIPAL'S MESSAGE

The year has had a great start! Student athletes are competing and doing their best in Cross Country and Volleyball. Unfortunately, we had to cancel our Football season due to lack of student athletes wanting to join. Please encourage your students to join a sport or a club this year!

As a reminder, the District has an updated dress code policy. Many students are still coming to school out of compliance—please review the new policy on the district website. Most students are doing a great job of leaving their cell phones in their backpacks during instruction. This will help them focus and learn without the distraction of a phone.

After Hours Academy (AHA or tutoring) is available on Tuesdays, Wednesdays, and Thursdays. Please encourage your student to stay after school if they are struggling in their classes.

Our first Family Movie Night was a success—be on the lookout for the next Family Night in October, along with a Halloween Carnival at the end of the month.
